

The Honorable Chris Christie
Governor of New Jersey
The State House
P.O. Box 001
Trenton, NJ 08625

Dear Governor Christie:

The U.S. Departments of Labor and Education (Departments) appreciate New Jersey's efforts to address the deficiencies in the State's Workforce Innovation and Opportunity Act (WIOA) Combined State Plan (Combined State Plan or State Plan) that were identified by the Departments' June 2016 State notification letter (notification letter). After careful review of the revisions and/or action plan, as applicable, submitted by New Jersey to address the issues that we identified, the Departments are pleased to inform you that we have determined that New Jersey has responded satisfactorily to address those issues, as required by the notification letter. Consistent with your submissions in response to the notification letter, New Jersey is prepared to move forward in implementing its State Plan.

Thank you for quickly submitting the necessary revisions and/or action plan. We value New Jersey's commitment to work together with stakeholders and the Departments to support the public workforce system. New Jersey has made tremendous strides in implementing WIOA, as evidenced by the strong partnerships and foundation for success in reforming and realigning the workforce system as articulated in WIOA and your State Plan.

The Departments will provide technical assistance and monitor New Jersey's progress on an ongoing basis as we work together to realize the vision of WIOA and implement its programs. The Departments will work with you and your agencies and staff to help New Jersey submit a 2018 State Plan modification that reflects the State's experience in implementing WIOA and the innovations it has undertaken to improve the timeliness and quality of services to jobseekers and employers.
